

Mrs. Carol Wilson is the Lead Toddler Teacher at St. Mary's child Development Center. In the Toddler room the children are introduced to many things such as the alphabet, shapes, colors, numbers, bible stories, expanding social skills, and fine motor skills. Learning in the classroom takes place through lots of hands on, activities, songs, and action songs.

Mrs. Wilson received an Associate's Degree specializing in Early Child Development and is currently working on receiving her Bachelors in Early Childhood Studies. Mrs. Wilson also has 17 years of experience in a child care setting, with children 0-10 years of age.

Her philosophy of Education for young children is to provide a developmentally appropriate program for young children that fosters the whole child concept, respects each child as an individual and stimulates a child's natural interest in, and enjoyment of learning.

Mrs. Wilson grew up and currently lives in Troy, she is married and has 2 boys. While Mrs. Wilson is not working in the Toddler Class she enjoys spending time with her family and friends, attending her sons sporting activities, gardening, bike riding, and vacationing with her family.
