

Permission to Leave the School Building

I give St. Mary Child Development Center to take my child _____ and leave the school building under the supervision of a staff member for neighborhood walks or field trips for the _____-_____ school year. Transportation will be by school van or by school bus. (For students preschool & older, parents must also sign the Permission for Field Trips Form)

I understand that it is my responsibility to read and post the calendars that will come home each month to inform me of upcoming field trips and special events.

I understand that I will be billed for these events on my monthly bill. I reserve the right to keep my child home if I do not approve of him or her going on a particular field trip; however I realize that since this is a part of the curriculum, I will still be responsible to pay the fees related to such field trips. Children will only participate in field trips on the days that they are contracted to be in school. Trips will be scheduled on a rotational basis for the various classes.
