

Our Mission Statement

It is the mission of St. Mary Child Development Center to provide loving care with a Christian Orthodox based education in a nurturing Christ Centered environment where values are taught and exemplified.

It is the mission of the Center to provide quality education in a learning environment that fosters academic excellence.

It is our mission that our students will acquire a Christian attitude toward world involvement with a strong personal commitment to spiritual and moral values.

In partnership with families, it is our mission to raise Godly, successful, well educated, members of the society.
