

Our School Strengths

We have Christ in our midst.

We go the extra mile for the benefit of our students.

We have a climate of caring, flexibility and support.

Children and parents are our top priority – we make time.

We will maintain a supportive environment in which to grow.

We will maintain high expectations for ourselves and our students.

We will ensure a safe and healthy environment for students at all times.

We have involved and supportive parents who access our “Open Door” policy.

We will do everything possible to ensure ALL of our students show improvement.

We will maintain continuous communication with community, parents, students, and each other to gain collaboration and team success.

We will continuously assess our progress and that of our students and adjust accordingly.

We will work hard, play hard and have FUN. We will come to work with a positive attitude that will inspire others to share the same enthusiasm. Our work affects the life of every child we are entrusted with and we act accordingly.

We have Christ in our midst.
